

# Cellular Shades

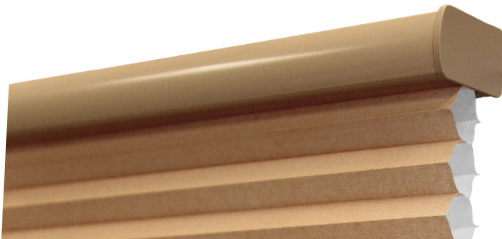

## COLOR COORDINATION

### Deluxe Rails

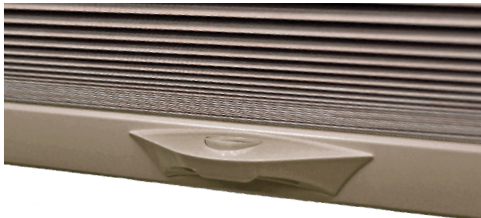

#### Standard Headrail and Bottomrail

- Heavy duty, low profile aluminum rail
- Streamlined integrated cord lock
- Available as fabric wrapped

#### Contoured Headrail

- Used for Cordless, Smooth Lift and Motorized shades
- Paired with matching standard bottomrail
- Available as fabric wrapped

#### Lift & Lock Bottomrail

- Paired with matching standard headrail
- Lift & Lock handle color matched to rail
- Available as fabric wrapped.

### Fabric Wrapped Rails

Soften the rail appearance by wrapping the head and bottom rails with a color-matched fabric.

- Rails will be white to the street side
  - Not available with all fabric styles
  - Standard and Contour rails will have clear endcaps when fabric wrapped.
- Lift & Lock have color coordinated endcaps and handle when fabric wrapped.

### Cellular Vertical

- Cellular Verticals feature aluminum rails and matching valance
- Limited color selection - please check chart when combining other cellular shades with cellular verticals as rail colors may not be the same.
- Not available fabric wrapped
