Net Pricing

6 (six) square foot minimum shutter charge applies.

All frame styles (except casing)..... \$14.50 per square foot /per window

Shutter with Casing Frame \$15.50 per square foot /per window

Inside Mount frames are priced by window opening. Outside Mount frames are priced tip to tip.

Calculating Square Foot for Pricing

Round up window opening width and length to the next inch. (Measurement 35.25 x 62.75 = 36 x 63)

Multiply rounded width and height, then divide by 144. (36 x 63 = 2268 / 144 = 15.75)

Square foot for pricing = 15.75
